EXPERIENCE

2016	Freelance Web Design Created websites using SquareSpace for Chris Doherty Fitness, That's What Cheese Said Food Truck, Bennett's Wood An Dale Nursery, and eClusive Financial Services.	2013	Mediture App Design UX design and visual design of a mobile app for Mediture in Eden Prairie, MN. The app is used in healthcare settings to record home care aid services provided in the community.
2016	Director of Digital Media - Ad Club Officer position for the Art Institute of California - San Diego Ad Club. Position involved creating a custom Wordpress theme, social media posts, email newsletters, and flyers.	2016	RunDisney Volunteer Worked at passing out runner shirts, packaging gear, checking runners in, giving runners food after the race, greeting runners before their race, and checking runner bibs to make sure they go in to the correct corral at the Disneyland Half Marathon and Star Wars Half Marathon in Anaheim, CA.
2016	NSAC Digital Media Participated in the National Student Advertising Competition (NSAC) to create a holistic marketing campaign for Snapple. This effort entailed conducting focus groups, interviewing, and designing an advertising campaign.	2013	Honors Mentor Connection Participant Created the Minnetonka High School Orchestra Booster Club website as a project for Honors Mentor Connection. Mentored with John Pawlenty, a UX Designer at the Nerdery and interviewed 16 web and graphic design professionals.
