## EXPERIENCE

2015 **Freelance Web Design**  
I have created websites for That's What Cheese Said, Bennett's Wood An Dale Nursery, and eClusive using SquareSpace.

2013 **Honors Mentor Connection Participant**  
I created the Minnetonka High School Orchestra Booster Club website as a project for Honors Mentor Connection. In this program I mentored with John Pawlenty, a UX Designer at the Nerdery, during my senior year of high school. As a part of this program, I also interviewed 16 web and graphic design professionals.

2013 **Mediture App Design**  
UX design and visual design of a mobile app for Mediture in Eden Prairie, MN. The app is used in healthcare settings to record services provided in the community.

2013 **Minnetonka Senior Women Sweatshirt Design and Sales**  
I designed and sold 130 sweatshirts for my high school. This involved creating online order forms, designing the sweatshirts, and money collection.

2012 **The Art Institute of Minnesota Summer Studio - Web Design**  
Concept design and creation of a website to showcase my photography of downtown Minneapolis.

2011 **The Art Institute of Minnesota Summer Studio - Graphic Design**  
A week long experience to learn Photoshop and Illustrator. I completed three projects including creating a magazine cover, creating a National Park poster, and creating a business card.
